CAPTAIN CANOT, A UTHOR OF THE GREAT BOOK JUST BR-IN 1 PUBLISHED, SPRAKS OF HAMPTON'S

GREAT CURE OF RREUMATISM CONTRACTED UNDER TROPICAL CLIMATES. BALFIMORE, Md., June 4, 1854.

Mr. Rockbridge, of the Fountain Hotel Light street, Baltimore Dear Sir : Being on the point of leaving the city. avail myself of a few idle moments to thank you kindly for the medicine you sent me, and shich has restored me to the use of my limbs. I beg you to send me four bottles more, to carry on my voyage. Since I had the fortune to use Dr. Hampton's Vegetable Tiucture my confidence is so strong that, in gratitude o the proprietors of said medicine, I beg ou to present my respects to them, and induce them to make it more publicly known as a sure Rheumavic cure. Having called on me on the 19th of April last, and seen me prostrated on my bed, a seless in all my if ... bs, you can appreciate nearly as well as myself the prompt relief I received from Dr. Hampton's Tincture, and I am positive had it not been for your strong and foreible recommendations I should still have been in hed.

It is really a pity this specific should not be apshould suffer the imputation the public generally give to suce preparations. I my elf, who was al ways opposed to a patented specific, took this medicine with reluctance, and without confidence in it, and it was only through your disinterested, friendly recommendations, and my critical situation that induced me to try this really beneficial Vegetable

You may inform Mesers. Mortimer & Mowbray that they are at liberty to make use of my name in the support of the good effects of Dr. Hampton's Vegetable Tincture, as it has cured me in five weeks of a chronic Inflammatory Rheumatism, contracted under tropical climates, and of seven years' periodical duration. I have on y used three bottles, and find that even the deformed parts of my hands are fast eturning o their former natural appearance. I have been under the treatment of several physicians in London and Paris, without any apparent benefit; also, while in New York, having tried the Thompsonian and Homospathic remedies, after having been tormented with galvanic ba teries, cold and aromatic baths, and hundreds of internal and external medicines, all to no effect, I am, so tar. cured by this Hampton's Vege able Tincture only Therefore, my ear sir, accept of the assurance of my gratitude, and believe me your well wisher. THOMAS CANOZ.

> REV. VERNON ESKRIDGE, U. S. N. PORTSMOUTH, VA , Aug. 18, 1861.

Mr. J. B. Boush-wear sir: While I am, in general, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family; and in dyspepsia, loss of appetite, dissiness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommend and has been made up since he received the n ing it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,

VERNON ESKRIDGE, Chaplain, United States Navy.

AGUE AND PEVER-GREAT OURE .- I hereby sertify that for three years I had Ague and Fever of the most violent description. I had several Physi cians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without permanent relief. At last I tried Carter's Spanish dixture, two bottles of which effectually cured me, and I am happy to say I have had neither Chille in Pevers since. I consider it the best Tonic in the world, and the only medicine that ever reached any JOHN LONGDEN.

Mr. Luck says he has never known it to fail when taken accord by to directions.

Dr. MINGE, a practising Physician, and ferment of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Certer's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of 8 years standing, by the use of two bottles of Carter's Spanish Mixture.

GBRAT CURE OF SCROFULA.-The Editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofuls, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a public no-tice, say they "cheerfully recommend it to all who are affiicted with any disease of the blood."

> FARMERS. -- Adam was a farmer while yet in Paradise, and, after his fall, commanded to earn his bread by the sweat of his brow. Job, the honest, upright, and patient, was a farmer; and his endurance has passed into a proverb. Socrates was a farmer, and yet wedded to his calling the glory of his immortal philosophy. St. Luke was a farmer, and divides with Promotheus the honor of subjecting the ox for the use of man. Cincinnatus was a farmer, and the noblest Roman of them with poetry. Washington was a farmer, and retired from the highest earthly station to enjoy the quiet of rural life, and present to the world a spectacle of human greatness. To these may be added a host of others who sought peace and repose in the cultivation of their mother earth; the enthusiastic Lafavette, and the steadfast Pickering, the scholastic Jefferson, and the fiery Randolph, all found an Eldorado of consolation from life's cares and troubles, in the green and verdant lawns that surrounded their homesteads.
